

On-Line Irish Wolfhound Breeder Directory

The following directory of Irish Wolfhound breeders is provided by the Irish Wolfhound Club of America strictly as a public service. Listed breeders have signed the [IWCA Standard of Behavior For Breeders](#) and have authorized the publication of their names and contact information on this website and are solely responsible for the content and accuracy of their listings.

The Irish Wolfhound Club of America does not guarantee the products or services of any breeder. Please read the [IWCA Breeder Directory Policy](#).

Breeders who are current IWCA members are eligible to be included in the Breeder Directory, whether or not they currently have puppies or adult dogs available for sale or placement. Please be advised that the IWCA does not inspect or monitor the facilities, breeding practices or sale, refund or return policies of its member-breeders, and therefore provides no guarantee, warranty or endorsement, express or implied, with respect to any listed breeder, or animals produced or sold by them.

The breeders listed in the directory are members in good standing with the Irish Wolfhound Club of America and have elected to display their contact information online; however they are independent breeders with varying sales arrangements. It is up to the puppy buyer to find the arrangement that is suitable to him/her.

The IWCA strongly encourages everyone considering the purchase of an Irish Wolfhound puppy to:

- Thoroughly review the materials and link located on this website
- Interview, personally visit and obtain references for any breeder before placing a deposit or otherwise making a commitment to purchase an Irish Wolfhound, and
- Consider the adoption of an adult or rescued Irish Wolfhound as an alternative to purchasing a puppy.
