

**Announcing:
A Splash of a Wolfhound weekend
in Denmark**

**June 25th through June 27th 2010
E.I.W.C. congress and show
World dog show**

EIWC Congress and Show.

The Irish Wolfhound Club of Denmark is honoured to have been given the chance to host the

E.I.W.C. congress and show

in the year 2010. This will truly be an extraordinary event, which will be worth your while travelling for.

In 2010 the Danish Kennel Club will be hosting the

World Dog Show.

We have chosen to organize the E.I.W.C. congress and show on the very same weekend, in order to offer exhibitors from near and afar a unique opportunity to participate in two major dog events in just one trip.

For the E.I.W.C. Congress and show venue we have selected Vingstedcentret; a modern Hotel and conference centre with a multitude of facilities and affordable accommodation from cabins to hotel rooms. The centre is owned by the Danish Athletic association. It is situated in beautiful natural surroundings of The Vejle creek Valley, 12 kilometres from the city of Vejle and only a 20 minute drive from the famed Legoland®

With the World Dog show venue and the E.I.W.C. venue only 60 kilometres apart, it will be possible to remain lodged in the same cabin, campground, or venue Hotel for the duration of the weekend.

Mark your calendars now; you do not want to miss out on this double event.
