

ERROL

\$1,000 REWARD

For Information Leading to Errol's Safe Return

The search continues for the huge 4 1/2 year old, neutered male Irish Wolfhound in Meridian, MS.

Errol is microchipped, weighs approximately 145 lbs is blonde in color (though probably very dirty), and has a rough coat. He is roughly 35 inches at his shoulders and was wearing an orange collar when he got lost.

He has been sighted near the Long Creek/George Butler Road intersection off Hwy 19 South on October 7, 2008.

We live out of town but have been searching for Errol since the car accident on the 4th of July. We need everyone to help find him.
