#### **Effective January 1, 2015 -- USE OF RAMPS: A CLARIFICATION**

**BACKGROUND** The appropriate place to individually examine dogs during breed judging is designated by each parent club and AKC does not pre-empt their authority in this regard. **RAMP BREEDS** A judge requesting the use of a ramp must give reasonable notice to the show superintendent/ show secretary prior to judging. AKC approval is not required. Designated ramp breeds may be examined on the ground (table if applicable) or on a ramp during breed, group and Best in Show judging at the sole discretion of the judge, not the exhibitor. Examination for a breed must be consistent; therefore the entire entry in that breed is to be examined on the ground (table) or on a ramp. By Board approved policy, Basset Hounds, Bulldogs and Chows must be judged on the ramp in all conformation competition associated with AKC conformation dog shows or at which AKC conformation titles may be earned. This policy extends to Junior Showmanship, the 4-6 Month Beginner Puppy Competition, the AKC National Owner-Handled Series (NOHS), and all other special attractions that offer Group and BIS competitions. The list of Table and Ramp breeds can be found on the AKC Website under Conformation Judges – Announcements. **ALL OTHER BREEDS** Breeds not designated as either table or ramp breeds may only be examined on the ground. **EMERGENCIES** In emergency situations, with the approval of the Show Chair, breeds customarily examined on the ground may be examined on a ramp, not on a table. An emergency is defined as a temporary condition that arose immediately prior to or at a dog show. Convalescence from a medical procedure, illness and recuperation from injuries are examples of conditions that are not emergencies. The emergency use of a ramp may be allowed on a day and may be extended to include a cluster as well as judging either a group and/or Best In Show. ( In all but emergency situations, the exhibitor has no recourse. In an emergency situation, where use of a ramp is not indicated in the premium list, an exhibitor has the option of withdrawing their entry and receiving a refund ).

#### **IRISH WOLFHOUNDS ARE NOT A RAMP DESIGNATED BREED**

#### **NOTE: RAMPS CAN BE USED IN EMERGENCY SITUATIONS TO JUDGE ANY BREED**
